

A SANCTUARY IN PARADISE

Crowning a secluded ridge above Bali's Valley of the Kings, Viceroy Bali is a luxurious 40-villa resort for those seeking for exclusivity, elegance and exotic touch in everything. The area, once favoured as a retreat for royals, provides the Viceroy with uninterrupted stunning views of the tropical valley below whilst being located only five minutes' drive from the heart of Ubud.

The resort offers six villa categories showcasing spacious yet intimate villas, each with its own pool, attentive discreet service, traditional Balinese design and modern amenities such as ducted air-conditioning, espresso coffee machine, LED television and Bose iPod sound system.

Viceroy Bali provides bespoke facilities including an award winning fine dining restaurant, spa centre, gymnasium and a private helipad. Oct. 24, 2018 – Condé Nast Traveler recently announced the results of its 31st annual Readers' Choice Awards with Viceroy Bali recognised as the #1 Resort in the World. Not many would need much persuading to schedule a retreat to this paradise, but here are a few excellent reasons to visit Viceroy Bali now:

Privacy - Discretion and personalized service are paramount at the Viceroy with guests being able to choose the level of privacy desired through details such as airport helicopter transfers, 24-hour room service and spa treatments offered in the villa. There is no need to leave the sanctuary of your villa.

Romance - Tailor made for lovers old and new, the villas, cuisine, amenities, surroundings, and service at Viceroy Bali set the stage for an enchanting escape that couples will remember forever. Some of the special touches include an arrangement of roses on arrival in the villa, two hours' couple spa treatment, romantic candlelit degustation dinner and traditional activities such as Balinese cooking class or picnic and walk through the rice fields.

Adventure - Taking full advantage of the resort's central location, management has assembled a collection of activities to entice all but the most dedicated of loungers to venture forth for an exhilarating adventure. These include Balinese dance

lessons, private yoga classes, white water rafting, elephant ride safari, sunrise volcano hike, rice paddy trek, cycling and much more tailored to the desires of the guests.

Relaxation - The gardens, traditional balés and infinity edge main pool provide set the tone for a relaxing retreat. In addition to this, the Lembah Spa provides sublime pampering with services to enhance physical, emotional and spiritual well-being. From its perch overlooking the lush valley, the spa provides a full range of treatments that blend the best of Western techniques with Balinese traditions such as massage, body scrub/wrap, facials, hair crème bath, manicure and pedicure to name a few. Yoga lessons and a fully equipped gymnasium are on offer too.

Apéritif Restaurant & Bar boasts an elegant 1920's colonial design with a sophisticated ambiance that is unparalleled in Bali. Belgian Executive Chef Nic Vanderbeeken gives life to an eclectic and well-constructed 8 Course Degustation menu. It brings together the flavours of modern gastronomy and lesser-known Indonesian ingredients whilst using exquisite produce sourced globally and from the property's own organic Greenhouse. Apéritif offers a private dining room suitable for parties of up to 12 seated guests.

Cascades Restaurant & Bar acts as a window to the luscious 'Valley of the Kings' for in-house guests, providing all-day gourmet dining and a place to an enjoyable afternoon relaxing and enticing the palate. The highlight of our Cascades menu is the Royal Balinese Rijstaffell tasting dish. It allows you to sample the finest of Indonesian cuisine over ten-courses of succulent dishes prepared using traditional Indonesian methods. Piano performances occur several evenings a week at Cascades Bar.

Value - Always attentive to guests' comfort, convenience, and appreciation of value, the following services and amenities are included in all resort stays:

- Luxury pool-villa accommodation
- Welcome drink and cold towel upon arrival
- Daily à la carte breakfast
- 24-hour room service
- Espresso coffee machine with coffee and selection of organic teas
- Free WiFi broadband internet access in villa and hotel premises
- Free use of gym, whirlpool, cool pool, and steam room
- Free drop off and pickup shuttle service into eclectic Ubud
- Full evening turndown service.

Intimate and relaxed, imbued with Balinese sensuality yet bespoke in all respects, this retreat is truly a dream destination. For privacy, romance, adventure, relaxation, dining, or "just because" ... the experience of Viceroy Bali awaits.

Above all Viceroy Bali provides the discriminating traveler with the rarest of rewards while providing the ultimate in privacy savored in an authentic Balinese setting. A member of Small Luxury Hotels, the Viceroy Bali is located near the village of Ubud in central Bali.
